An European Conference to celebrate 30 years of the Center for Medical Ethics of the UCL

On October 2nd, 3rd and 4th, the CME of Lille Catholic University welcomes in the premises of *IFSanté* in Lomme – district of *Humanicité* - a conference on the topic “Frailty, vulnerability and social participation: Ethical, social and political challenges for an inclusive society”.

Hosted by the Center for Medical Ethics and the European Association for Centers of Medical Ethics, this annual colloquium includes plenary sessions as well as parallel sessions (oral presentations, posters, thematic sessions...)

Open to academics and health care providers form all around Europe, this meeting experience – both human and scientific - is the opportunity to exchange practices and share concerns and questions about topics of ethical issues such as mental health, end of life, interprofesionnal care, bioethics, dignity in care, disabled and older persons in our today’s society.
